#1: Instead of writing the definitions of the parts of speech, complete this crossword puzzle.

Clues

Across

- 6. a word that expresses a strong feeling or exclamation
- 8. a word that shows a relationship between a noun and another word in a sentence

Down

- 1. a word that describes a noun and tells what kind, how many, or which one
- 2. a word that takes a place of a noun
- 3. a word that tells when, where, how, or how much; a word that modifies a verb
- 4. a word that connects words, group of words, phrases, or clauses
- 5. a word that names a person, place, thing, or idea
- 7. a word that shows action, is a state of being, or links the subject to a word or phrase that tells about the subject

#2: Write your own original sentence (that is SCHOOL APPROPRIATE) with each of the parts of speech below. Underline what part of speech you featured after you write the sentence. So for #1, you would underline the noun. You can use a different sheet of paper if you want to.
